

Women's Arts Association Wales

Registered charity 1060383

Membership of Women's Arts Association Wales is free to all women involved or interested in the arts.

The Women's Arts Association is a vibrant and responsive organisation committed to addressing isolation and exclusion experienced by women in the arts and the wider community.

WAAW works in partnership with practitioners, communities and funding bodies to develop accessible, creative opportunities for women, celebrating diversity and equality across all art forms.

The Association holds an Annual General Meeting every year to which all members are invited. In March open exhibitions and events to celebrate International Women's Day are organised and all members are invited to participate.

There is a weekly Events & Opportunities eBulletin sent to those with an email address.

Join as a Full Member and receive in addition to the above, opportunities to network with other members, promote artists' work and discounts on Association events. Fee £10.00 a year.

WAAW is a non-judgmental organisation.
