## **Conditions of entry: INTERNATIONAL WOMEN'S DAY CELEBRATORY EXHIBITIONS**

### **Important information**

WAAW appreciates your cooperation in making this a great exhibition for members, the venue\* and the volunteers who organize it. Please respect that the final decision of where works are displayed is made by curators, often volunteers.

\*In 2026 the venue means either Llanover Hall, Cardiff or Art Central, Barry

**Images.** By submitting your work, you are granting Women's Arts Association Wales the right to display the work and use low resolution photos or images of the artwork to promote the event.

**Insurance.** Any damage to work outside the times and dates of delivery and collection will be the responsibility of the artist. The artwork will be insured whilst at the venue\* but claims can only be made if over £200. The insurance excess makes smaller claims impractical. Any work left after the collection date will be at the owner's risk.

Please supply an insurance figure to WAAW – this is what you would want from a sale (without commission and VAT) – even if not for sale.

**Disclaimer.** Women's Arts Association Wales cannot accept any responsibility for damage, loss or theft of work. WAAW and the venue\* reserve the right to refuse any artwork they believe to be unsuitable.

**Pricing your work.** Commission is 30% which must be included in the selling price.

Calculate the commission on the amount you want for a sale, and VAT at 20% on the commission. Add these two figures to the amount you want for a sale.

This total is the selling price.

Example: The artist wants £300 for the work.

£300 for the artist means commission @30% = £90. VAT @20% on £90 = £18

Total selling price is artist £300 + commission £90 + VAT £18 = £408

### **Preparation of your work for display:**

Work not suitably framed and/ or labeled will not be accepted.

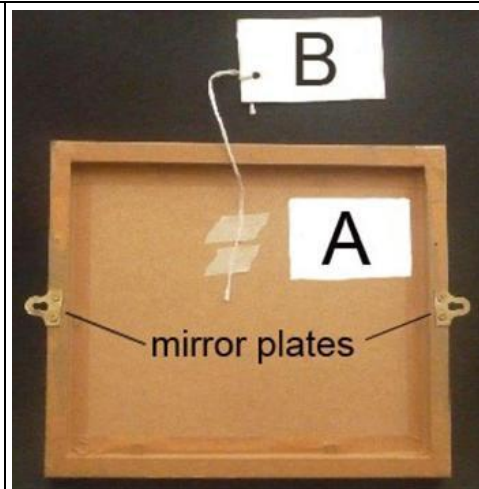

All 2d work must be suitably framed with mirror plates attached halfway up the vertical side and turned out.

No clip frames.

There must be a label attached to the back **A**, and a hanging label on string **B**.

3D work must have a label attached.

Label information: artist, email/phone, title of work, price/not for sale

**These labels are for either venue. Please fill in as appropriate.**
